

# NEW ENGINEER®

## SNAPSHOT

**NEW ENGINEER** is a print and digital journal for college engineering students, written by engineering professors & industry professionals, with topical articles of particular interest on everything to do with getting a college engineering degree and the vast career and advanced degree opportunities for today's graduate. And also as a tool to recruit high school students to the many benefits of engineering as a college major and profession.

### **Advertising:**

If you are looking to reach college engineering students and/or high school students considering a degree in engineering advertise your Masters programs, overseas studies, corporate recruitment with New Engineer.

### **Distribution:**

30,000 copies to 372 colleges & top corporate & engineering firms.
