

Go Places with an Online Graduate Accounting Degree

Online Learning...CPA Exam Track...International Study

Do you want to be your own boss? Are you looking to advance your career in accounting? Do you need the 150 credits for licensing, but want to get something that you can use? With Post University's online Master of Science in Accounting (MSA) program, you'll have the skills and education you need to take the next step in your career – and your life!

Prepare for the CPA Exam

Post's MSA program offers a specific CPA Exam track to help you prepare for test success. In addition to intensive coursework

and study labs, pre-testing will identify areas in need of extra attention to help us develop your personalized plan of study. In the end, not only will you have what you need to pass the test, you'll have the tools you need to solve real-world problems in the workplace.

Study Abroad for a Week

This master's degree program in Accounting also provides an opportunity to study abroad in Limerick, Ireland. It's a chance to use what you've learned at home in an international setting – to grow your understanding of accounting prin-

ciples and apply them on a global scale.

Make Success Personal

At Post, we want your learning experience to be convenient, meaningful, and effective. Your courses are 100 percent online to give you the flexibility you need to pursue a degree on your terms. Your professors are seasoned practitioners who have passed the CPA Exam – they know what it takes to help you pass. And, right from the start, your personal academic advisor will be there to help you every step of the way. Post makes it personal!

About Post University

Based in Waterbury, Connecticut, since 1890, Post University® is known for its innovation and focus on providing every online and on-campus student an extraordinary educational experience with an unmatched level of personalized support. Among the first in the nation and the first in the State of Connecticut to offer full degrees online, Post fuels the personal aspirations and career goals of its students with inventive and robust learning technologies that deliver in-demand undergraduate and graduate degree programs, small class sizes, individual attention, and customizable degree concentrations. Recognized for its Honors Program, NCAA Division II athletics, and its pioneering role in online education for more than twenty years, Post University is licensed by the Connecticut Office of Financial and Academic Affairs for Higher Education and accredited by the prestigious New England Association of Schools and Colleges (NEASC). Its award winning Malcolm Baldrige School of Business programs are nationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP). Post is ranked among the best by US News & World Report.
