

CHICAGO BRIDE

Real Weddings *Photo Submission Guidelines*

Would you like to see your wedding featured in Chicago Bride magazine?
Check out the [Enhanced Digital Edition](#) of our latest issue for Real Wedding examples.

Here's what to do:

- **Choose up to 8 HIGH RESOLUTION photos of the wedding you would like to show.**
In addition to a (preferable) full-length picture of the couple, pictures should try to show the uniqueness of your wedding by featuring special items like the cake, venue decor, floral arrangements, bridal party attire and anything else you would like to highlight. Remember that future Chicago brides will be viewing these to get ideas for their own weddings and want to see details!

- **Along with your pictures, we will need to following information:**
 - Bride(s) full name - maiden preferable
 - Groom(s) full name
 - Location of ceremony
 - Location of reception
 - Photographer name and/or company name
 - Caterer, Florist, Wedding Consultant or any other vendor you wish to credit

- **Once you've selected the pictures, send them to editor@chicagobridemagazine.com**
You may also have your photographer put your selected photos on a disc or a USB drive and send them to:

Chicago Bride Magazine
Attn: Editor
3525 W. Peterson Avenue, Suite #T10
Chicago, IL 60659

Upon receipt and approval, our staff will review and choose the best four or five pictures that best fit with the style of our magazine. We look forward to seeing your wedding celebration!
